

Invitation for Bids: Elevator and Escalator of Luoyang Metro Project

Date: May 7, 2019

Bidding No.: 0723-196019660105

Entrusted by Luoyang Rail Transit Group Co., Ltd. (Hereinafter referred to as the “Tenderer”), Guoxin Tendering Group Co., Ltd. (Hereinafter referred to as the “Tendering Agent”) conduct international public bidding for BRICS member countries on Goods and Services required for elevator and escalator of Luoyang Metro Project. The mode of post-qualification examination is adopted for qualification examination of the bid. The project is divided into two packages. Now, intended and qualified bidders are invited to participate in the bidding.

The construction funds for this project is from the New Development Bank loan and the Chinese government allocations. The Tenderer has acquired purchase funds and will ensure the smooth implementation of various contracts under this project.

1. Project Overview

Luoyang Metro Project is an underground line, which has one transfer station respectively with Line # 2, Line # 3 and Line # 4 in the planning network. Hongshan vehicle base is located at the west end of the line, which is connected with Hongshan Station, and Chandong parking lot is located in the east, which is connected with Yangwan Station.

2. Name, Quantity, Main specifications, Delivery time and Place of delivery of Bidding goods

2.1 Goods name:

Package 01: The procurement and installation of the elevators used in the stations, non-stations, vehicle depot and control center of Luoyang Metro Project; The procurement and installation of the escalators used from Hongshan Station to Wangcheng Park Station and in the non-stations;

Package 02: The procurement and installation of the escalators used from Jiefang Road Station to Yangwan Station of Luoyang Metro Project and the escalators used in

non-stations;

For more details, please check Chapter 8 of the volume 2, “List of Goods Requirements and Technical Specifications.”

2.2 Quantity: one batch;

2.3 Main specifications: See Chapter 8 of volume 2, “List of Goods Requirements and Technical Specifications”.

2.4 Delivery time: conform to the operation requirements. For more details, please refer to Chapter 8 of volume 2, “List of Goods Requirements and Technical Specifications”.

2.5 Delivery place: The construction site of Luoyang Metro Projector the designated place by the tenderer. In accordance with site conditions, the tenderer has the right to do a moderate adjustment.

3. Qualification Requirements for Bidders
