

Invitation for Bids (IFB)

Date: October 9, 2019

NCB Bid No.: A4

Invitation for Bids No.: A4

The People's Republic of China has received the loan from the New Development Bank (NDB) toward the cost of Lanzhou New Area Regional Hub Multimodal Logistics and Transport Infrastructure Demonstration Project and it intends to apply part of the proceeds of this loan to payments under the Contract for Construction of Collecting and Distributing Roads, including Latitude 51th road, BW13 road and east extension section of Latitude 8th Road.

1. COC International Tendering Co. Ltd (Hereinafter referred to as 'Agent') commissioned by the Lanzhou New Area Foreign Fund Project Management Office (Hereinafter referred to as 'Employer'), now invites sealed bids from all eligible and qualified bidders for the construction and completion of the following works.

Newly built Latitude 51th road and BW13 road, with a total length of 3985.15 meters, of which Latitude 51th road length is 2852.264 meters, BW13 road length is 1399.883 meters, road width is 32 meters, and 10 meters green belts are set on both sides of the road. Supporting the construction of lighting, greening and transportation facilities. The starting point of Latitude 51th Road is connected with the already built BW3 Road. The end point is to build the 201 Provincial Road and build 3 new culverts. The starting point of BW13 Road is connected with the planned Latitude 53th road, and the end point is to the built freight yard North Road. Newly built 2 culverts. Newly built east extension section of Latitude 8th Road. The starting point is located at the Longitude 15th road, and the end point is connected with the already built weft road. The total length of the road is 2761.75 meters and the width of the road is 60 meters. There are 20 meters wide urban green belts on both sides. The project will lay 17539 meters of water pipes (10097 meters of green water supply), 9599 meters of rainwater pipes (including connecting pipes), and 6880 meters of sewage pipes, supporting road lighting, greening and traffic facilities.

The estimated completion period is 20 months.

2. Bidding will be conducted through the Member States Competitive Bidding procedures. The bidding is open to all bidders from Eligible Sources Countries as defined in the Procurement Guidelines of New Development Bank (NDB).

3. The attention of prospective Bidders is drawn to the eligibility and conflict of interest provisions under ITB 4 of the Bidding Documents. All Bidders found to have a conflict of interest shall be disqualified.

4. The bidder's eligibility requirements include:

1) Domestic bidders must have first-class and above qualifications for municipal public works construction general contracting issued by the Ministry of Construction; Equivalent qualifications are needed for foreign bidders.
