August 14, 2020

All bidders:

After some research, the bidding documents for the construction of W-01, W-02, and W-03 of the main line civil works of the Hubei Huangshi Modern Tram Project loaned by the New Development Bank are revised as follows:

Clause 3.4 of the Invitation for Bids “each bidder can bid for all the above mentioned three sections, and one bidder is allowed to win all the three bids of the sections at the same time” now **is modified as** “each bidder can bid for all the above mentioned three sections, while one bidder is only allowed to win one bid of one section. If the same bidder is recommended as the first contract candidate in multiple bids, the bidder shall win the section with the largest tender amount”.

If there is any inconsistency between the bidding documents and this announcement, this announcement shall prevail, and the rest of the original bidding documents remain unchanged.
