

# Invitation for Bids

**Hubei Huangshi Modern Tram Project (Phase 1) Financed by NDB**

**Main Line Communication Signal and Ticketing System Construction**

**(Contract No. SI-03)**

## 1. Conditions for Tender

The Government of China has applied for use of NDB loan for Hubei Huangshi Modern Tram Project (loan ref number 19N05).

The tender is open to eligible bidders in NDB member countries.

The tender under Hubei Huangshi Modern Tram Project financed by NDB has been approved by Hubei Huangshi Municipal Government; the tenderee is Huangshi Railway Construction and Investment Co., Ltd. Now the conditions for tender are ready, an open bid for the construction is hereby invited.

## 2. Name of Project and Scope of Tender

2.1 Name of Project: Main Line Communication Signal and Ticketing System Construction (SI-03) of Hubei Huangshi Modern Tram Project (Phase 1) financed by NDB

2.2 Location of Project: Huangshi City, Hubei Province

2.3 Scale of Project: start point being Huangshi Avenue up to Mining Museum, with total length of 27km, 30 stations, one depot at Baihua Road, where dispatching center is located. The tender value is RMB 269,975,093.76 yuan.

2.4 Source of Financing: NDB loan

2.5 Duration of Construction: 450 days.

2.6 Scope of Tender: supply and installation of the main line's communication, signal, ticketing, intelligent transportation system, etc.; other necessary and relevant supply and installation; relevant system design, design liaison, on-site testing and commissioning; provision of personnel training, operation manual, maintenance documents and technical consulting services (specific works subject to BoQ, user's requirement documents and drawings).

## 3. Bidders' Qualification Requirement

3.1 This tender requires bidders to be an independent business entity, with full proprietary intellectual property rights of the switch control system in the intelligent operation control system of modern trams (safety integrity level must be SIL4). Bidders shall have at least one summary experience of an operational urban rail transit project (light rail, subway or tramcar) covering integration of an intelligent control system (summary

experience in scheduling management system or signal integration system) valued at RMB200 million yuan (or above) in the last 8 years (from Jan 2013 up to the deadline date of bidding). Bidders shall have full capacity of manpower, equipment and financing as required by the implementation of the construction work, of which the project manager to be appointed by bidders must be of class 1 electromechanical or railway engineering constructor qualification; the project manager shall not hold a project manager position in other projects concurrently.

3.2 This tender is open to bidders registered in NDB member countries; eligible bidders of NDB countries feel free to bid.

3.3 This tender does not accept bids in consortium.

#### **4. Tender Registration**

This tender does not require a prior registration.

#### **5. Access to Tender Document**

Bidders who wish to bid can download the tender document on the website of China International Engineering Consulting Co., Ltd ([www.ciecc.com.cn](http://www.ciecc.com.cn)) from 17 March 2021 to 9:30 hours 15 April 2021. The project does not require a prior registration; bidders can directly submit bids before the deadline. A documentation fee of RMB500 Yuan shall be paid on the occasion of bid opening.

#### **6. Submission of Bid**

6.1 Deadline of submission of bids: 9:30 hours 15 April 2021; venue: Huangshi Public Resources Transaction Center (4/F, Huangshi Citizen Home, Expo Blvd, Daye, Huangshi, Hubei Province).

6.2 Bids submitted after deadline or not submitted to the designated venue shall be rejected.

#### **7. Bid Opening**

7.1 Date of bid opening will be at: 9:30 hours 15 April 2021.

7.2 Venue of bid opening will be: Huangshi Public Resources Transaction Center (4/F, Huangshi Citizen Home, Expo Blvd, Daye, Huangshi, Hubei Province).

7.3 Bid shall be opened with the presence of the tenderer and all bidders.

#### **8. Press Media for Tender Announcement**

The tender announcement will be publicized concurrently on China's tender information platform [www.cebpubservice.com](http://www.cebpubservice.com), the Chinese Government Procurement website [www.ccgp.gov.cn](http://www.ccgp.gov.cn) and NDB website [www.ndb.int](http://www.ndb.int)
