Transaction No.: A99-12620000224333349J-20210922-034880-6

Date: December 02, 2021

Invitation for Bids No.: C 5

1. The People's Republic of China has received a loan from New Development Bank (NDB) toward the cost of Lanzhou New Area Regional Hub Multimodal Logistics and Transport Infrastructure Demonstration Project and it intends to apply part of the proceeds of this loan to the payments under the Contract for the Zhongchuanbei Station Multimodal Transport Utility Upgrading Project, and Gaojiazhuang Station Multimodal Transport Reconstruction and Expansion Equipment and Goods Procurement (Forklifts and their Attachments).

2. COC International Construction Consulting Group Co. Ltd. (Hereinafter referred to as "Agency"), commissioned by the Lanzhou New Area Foreign Fund Project Management Office (Hereinafter referred to as "Employer") , now invites sealed bids from all eligible and qualified bidders for the procurement of following goods and relevant services:

Seven fuel collector trucks, six 12.4m 3-axle trailers, three 9.5m rear dump trailers; two 9.6m reefer trucks, three 6.8m reefer trucks (including vehicle registration, road transport certificate, insurance and other services).

The estimated delivery time of above equipment and related service is 5 months after signing the contract.

3. The bidding will be conducted through the Member Countries Competitive Bidding procedures. The bidding is open to all the qualified bidders from Eligible Sources Countries as defined in the Procurement Guidelines of New Development Bank (NDB).

4. The potential Bidders should pay attention to the provisions for eligibility and conflict of interest under ITB 4 of the Bidding Documents. Any Bidders found for conflict of interest shall be disqualified.

5. The bidder's qualifications include:

1) Bidders are required to provide the sales agent authorization issued directly by the manufacturer, and the manufacturer's sole authorization to bid for this project, which shall prove that the bidder has received formal authorization from the manufacturer of the goods and its agreement to participate in the bid. Failing to provide the required documentary evidence will result in rejecting the bids directly without any opportunities for clarification.

2) The bidder must be an independent and effective legal person formally registered in a member country of the New Development Bank (China, India, Brazil, Russia or South Africa). The domestic bidder shall provide scanned business license in China. Failing to provide the required documentary evidence will result in rejecting the bids directly without any opportunities for clarification.

3) The minimum warranty period of the three major parts (engine, transmission, bridge) provided by the bidder shall not be less than 36 months for tractor, and not less than 6 months for trailer; the warranty period of the three major parts (engine, transmission, bridge) for reefer should not be less than 24 months. Apart from aforementioned parts, the warranty period of all the other parts should not be less than 12 months. A letter of commitment shall be provided.

4) Over the past five years (December 2016 - December 2021), the bidder shall have completed no less than CNY 5.6 million (per transaction) of relevant sales in China (foreign bidders must meet the equivalent performance). The colored scanned copies of the contract or bid-winning notice should be provided in their bids. Failing to provide the required documentary evidence will result in rejecting the bids directly without any opportunities for clarification.

5) The annual cumulative business turnover for the bidder in the past 3 years (2018-2020) should be no less than CNY 17.50 million. The bidder shall provide a scanned copy of the complete financial report in 2018-2020, signed by the company's legal person and financial officer.

6) This tender does not accept joint venture bidding.

Detailed qualification requirements will be provided in the bidding documents.

6. All bids must include bid security of **CNY 140,000 (one hundred and forty thousand Chinese yuan only)**, or the equivalent amount of currencies.

7. In the past five years (from December 2016 to the date of bid advertisement published), bidders should not be declared as unqualified bidders by Chinese governments at different levels or by member countries of the New Development Bank. If declared, bidders are not allowed to participate in the bidding. The bidders are required to provide certification materials or commitment letters for not sanctioned in the past five years. Failing to provide the certifications or commitment letters will result in rejecting the bids directly without any opportunities for clarification.

8. Individuals or enterprises listed by the relevant department as discredited persons or with other discredited acts (including enterprise whose legal representatives, principal persons in charge, actual controllers, directors, supervisors, and senior managers are listed as discredited persons) shall be restricted to participate in government investment projects or the projects that mainly use public finance. Provide the certification materials or commitment letters. Failing to provide certification materials or commitment letters will result in rejecting the bids directly without any opportunities for clarification. If a discredited bidder participates in this bidding, the bid evaluation committee shall disqualify the bidder or cancel their bids directly. (anything not specified here shall be interpreted by the Client). The bidders are required to provide the image of Credit China Query Platform. Failing to provide the image of Credit China Query Platform will result in rejecting the bids directly without any opportunities for clarification.

9. Any questions or complaints regarding to the bidding process or contract award should be sent in writing to the Client at e-mail account lzxqwzb@163.com. The contact person is Mr. Ma.
