**Date:** June 16, 2022

**Invitation for Bids No.:** C6-2

1. The People's Republic of China has received a loan from New Development Bank (NDB) toward the cost of Lanzhou New Area Regional Hub Multimodal Logistics and Transport Infrastructure Demonstration Project and it intends to apply part of the proceeds of this loan to the payments under the Contract for the Zhongchuanbei Station Multimodal Transport Utility Upgrading Project, Gaojiazhuang Station Multimodal Transport Reconstruction and Expansion Equipment Procurement (Containers).

2. COC International Construction Consulting Group Co. Ltd. (Hereinafter referred to as "Agency"), commissioned by the Lanzhou New Area Foreign Fund Project Management Office (Hereinafter referred to as "Employer"), now invites sealed bids from all eligible and qualified bidders for the procurement of following goods and relevant services:

(1) 5 PCS 40'GP- Reefer Containers;

(2) 111PCS 40'HC-Containers;

(3) 84PCS 20'HC- Containers.

The estimated delivery time of above equipment and related service is 6 months after signing the contract. The specific specifications and dimensions are subject to the requirements in Chapter 6 "Technical Specifications".

3. The bidding will be conducted through the Member Countries Competitive Bidding procedures. The bidding is open to all the qualified bidders from Eligible Sources Countries as defined in the Procurement policy of New Development Bank (NDB).

4. The potential Bidders should pay attention to the provisions for eligibility and conflict of interest under ITB 4 of the Bidding Documents. Any Bidders found for conflict of interest shall be disqualified.

5. The bidder's qualifications include:

- 1) The bidder must be an independent and effective legal person formally registered in a member country of the New Development Bank. The domestic bidder shall provide scanned business license in China. Failing to provide the required documentary evidence will result in rejecting the bids directly without any opportunities for clarification.
- 2) The person in charge of the unit is the same person or different units that have a holding or direct management relationship, and shall not participate in the bidding of the contract at the same time. The bidder provides a unique power of attorney issued by the manufacturer for goods that are not manufactured by itself, certifying that the bidder has obtained the formal authorization of the goods manufacturer to agree to supply the goods to it. Failure to provide relevant information and failure to give the bidders an opportunity to clarify their bids were rejected directly.
- 3) The bidder must have the maintenance service capability of the refrigerated containers and the HQ container and the maintenance service capability of the refrigerated containers cooler, and must provide relevant certification materials or issue a letter of commitment. Failure to provide relevant information will result in rejecting the bids directly without any opportunities for clarification.
- 4) The products invested by the bidders must have a valid certificate of approval of the classification society factory (scanned copies of the certificate are provided in the bidding document). Failure to provide relevant information will result in rejecting the bids directly without any opportunities for clarification. Foreign bidders must be equally qualified.
- 5) The minimum warranty period of the products provided by the bidder shall not be less than 12 months, and a letter of commitment shall be submitted in the bidding document.
- 6) In the past five years (June 2017 to June 2022), the bidder has completed a single container sales performance of not less than CNY 5 million (foreign bidders must meet the same requirement of performance), subject to the contract or notice of winning the bid provided in the bid. Failure to provide relevant information will result in rejecting the bids directly without any opportunities for clarification.
- 7) The annual cumulative business turnover for the bidder in the past three years (2019-2021) is not less than CNY 26.5 million, and the bidder shall provide a scanned copy of the complete financial audit report for 2019-2021 or a scanned copy of the complete financial report signed by the company's legal person and financial officer. Failure to provide relevant information will result in rejecting the bids directly without any opportunities for clarification.
- 8) This tender does not accept joint venture bidding.

Detailed qualification requirements will be provided in the bidding documents.

6. All bids must include bid security of **CNY 200,000.00**, or the equivalent amount of currencies.
7. In the past five years (from January 2017 to the date of bid closing), bidders should not be declared as unqualified bidders by Chinese governments at different levels or by member countries of the New Development Bank. If declared, bidders are not allowed to participate in the bidding. The bidders are required to provide certification materials or commitment letters for not sanctioned in the past five years. Failing to provide the certifications or commitment letters will result in rejecting the bids directly without any opportunities for clarification.

8. Individuals or enterprises listed by the relevant department as discredited persons or with other discredited acts (including enterprise whose legal representatives, principal persons in charge, actual controllers, directors, supervisors, and senior managers are listed as discredited persons) shall be restricted to participate in government investment projects or the projects that mainly use public finance. Provide the certification materials or commitment letters. Failing to provide certification materials or commitment letters will result in rejecting the bids directly without any opportunities for clarification. If a discredited bidder participates in this bidding, the bid evaluation committee shall disqualify the bidder or cancel their bids directly. (Anything not specified here shall be interpreted by the Client). The bidders are required to provide the image of Credit China Query Platform. Failing to provide the image of Credit China Query Platform will result in rejecting the bids directly without any opportunities for clarification.

9. Any questions or complaints regarding to the bidding process or contract award should be sent in writing to the Client at e-mail account [lzxqwzb@163.com](mailto:lzxqwzb@163.com). The contact person is Ms. Zhang.
