(Rail Scale and Truck Scale)
Invitation for Bids**

Transaction No.: A99-12620000224333349J-20211011-035144-8

Date: October 20, 2021

Invitation for Bids No.: C6-1

1. The People's Republic of China has received a loan from New Development Bank (NDB) toward the cost of Lanzhou New Area Regional Hub Multimodal Logistics and Transport Infrastructure Demonstration Project and it intends to apply part of the proceeds of this loan to the payments under the Contract for the Zhongchuanbei Station Multimodal Transport Utility Upgrading Project, and Gaojiazhuang Station Multimodal Transport Reconstruction and Expansion Equipment and Goods Procurement (Rail Scale and Truck Scale).

2. COC International Construction Consulting Group Co. Ltd. (Hereinafter referred to as "Agency"), commissioned by the Lanzhou New Area Foreign Fund Project Management Office (Hereinafter referred to as "Employer") , now invites sealed bids from all eligible and qualified bidders for the procurement of following goods and relevant services:

- (1) One rail scale
- (2) One truck scale

The estimated delivery time of rail scale as well as truck scale and related service is 5 months after signing the contract.

3. The bidding will be conducted through the Member Countries Competitive Bidding procedures. The bidding is open to all the qualified bidders from Eligible Sources Countries as defined in the Procurement Guidelines of New Development Bank (NDB).

4. The potential Bidders should pay attention to the provisions for eligibility and conflict of interest under ITB 4 of the Bidding Documents. Any Bidders found for conflict of interest shall be disqualified.

5. The bidder's qualifications include:

1) Bidders who are not the manufacturers are required to provide the sole letter of authorization issued directly by the manufacturer, which shall prove that the bidder has received formal authorization from the manufacturer of the goods. Failing to provide the required documentary evidence will result in rejecting the bids directly without any opportunities for clarification.

2) The bidder shall have the ability to perform maintenance and after-sales services such as maintenance, repair and spare parts supply required by the contract and technical specifications. After winning the bid, the bidder should commit to establish maintenance centers or after-sales service centers at the project area or designate an agency to provide maintenance and after-sales service at the project area.

3) The bidder must be an independent and effective legal person formally registered in a member country of the New Development Bank (China, India, Brazil, Russia or South Africa). The domestic bidder shall provide scanned business license in China. Failing to provide the required documentary evidence will result in rejecting the bids directly without any opportunities for clarification.

4) Manufacturers of rail scales and truck scales must have model approval certificate for measuring instruments of corresponding specifications respectively. Failing to provide the required documentary evidence will result in rejecting the bids directly without any opportunities for clarification. Foreign bidders must have the same qualifications.

5) The minimum guarantee period for the products provided by the bidders shall be no less than 12 months. At the same time, a commitment letter that the verification certificate shall be obtained within 30 days after installation. Failing to provide the commitment letter will result in rejecting the bids directly without any opportunities for clarification.

6) Over the past three years (October 2018 to October 2021), the bidder shall have completed the sales performance of rail scales in China (foreign bidders must meet the equivalent performance as well). The scanned colored copies of the contracts or bid-winning notices should be provided in their bids. Failing to provide the required documentary evidence will result in rejecting the bids directly without any opportunities for clarification.

7) The annual cumulative business turnover for the bidder in the past 3 years (2018-2020) should be no less than CNY 2 million. The bidder should provide copies of financial audit report for 2018-2020, of which each page should have an official stamp and sealed into their bids. Failing to provide the financial statements will result in rejecting the bids directly without any opportunities for clarification. Foreign bidders should have the equivalent qualifications.

8) This tender does not accept joint venture bidding.

Detailed qualification requirements will be provided in the bidding documents.

6. All bids must include bid security of **CNY 10,000.00 (Ten Thousand Chinese Yuan only)**, or the equivalent amount of currencies.

7. In the past five years (from October 2016 to the date of publication of the invitation for bids), bidders should not be declared as unqualified bidders by Chinese governments at different levels or by member countries of the New Development Bank. If declared, bidders are not allowed to participate in the bidding. The bidders are required to provide certification materials or commitment letters for not sanctioned in the past five years. Failing to provide the certifications or commitment letters will result in rejecting the bids directly without any opportunities for clarification.

8. Individuals or enterprises listed by the relevant department as discredited persons or with other discredited acts (including enterprise whose legal representatives, principal persons in charge, actual controllers, directors, supervisors, and senior managers are listed as discredited persons) shall be restricted to participate in government investment projects or the projects that mainly use public finance. Provide the certification materials or commitment letters. Failing to provide certification materials or commitment letters will result in rejecting the bids directly without any opportunities for clarification. If a discredited bidder participates in this bidding, the bid evaluation committee shall disqualify the bidder or cancel their bids directly. (Anything not specified here shall be interpreted by the Employer). The bidders are required to provide the screenshot of Credit China Query Platform. Failing to provide the screenshot of Credit China Query Platform will result in rejecting the bids directly without any opportunities for clarification.

9. Any questions or complaints regarding to the bidding process or contract award should be sent in writing to the Client at e-mail account lzxqwzb@163.com. The contact person is Mr. Ma.
