Contract No. and Title: JX-TRQ-YX-G02 / Construction of Jiangxi Provincial Natural Gas Pipeline Network Project Phase I Fuzhou-Chongren-Yihuang, Nancheng-Zixi, Nancheng-Nanfeng, Zhangshu, Leping-Dexing-Wuyuan, Yongxiu-Wuning-Xiushui Branches and Tian'nan Station Automatic Control Equipment & Communication Equipment Procurement

Invitation for Bids No.: 0716-2060JX391284

Each bidder:

The tenderer now makes the following amendments to the qualification requirements of the bidding documents:

- 1) Article 3.5 of Chapter V of the Bidding Documents was revised from "Domestic bidders must have legal qualifications" to "**The bidder or the installation unit recommended by the bidders should have the legal professional contracting qualifications to undertake the project**".
- 2) Chapter 6. 2.10 5) Changed from "Bidder must have first-level qualification for professional contracting of electronic and intelligent engineering" to "**Bidder or installation unit recommended by bidder shall have legal professional contracting qualification for undertaking the project. Bidder In the bid quotation, the quotations of all equipment construction parts must be listed separately**".
- 3) Chapter 6 13.3 6) and Format 10 The requirements of the qualification certificate in the instructions for filling in the format of the qualification certificate are changed from "Bidder must provide a copy of the first-level qualification for professional contracting of electronic and intelligent engineering with official seal" to "**The copy of the electronic and intelligent engineering professional contracting qualifications of the corresponding level recommended by the bidder or the installation unit recommended by the bidder shall be stamped with the official seal**".

The bid opening time is consistent with the bid opening time after the change in the last postponement announcement.
