Jiangxi Industrial Low Carbon Restructuring and Green Development Pilot Project

PC General Contracting Project for 2×15MW Units of Biomass Cogeneration Project in Yihuang County, Jiangxi Province- **Rebidding**

Invitation for Bids (IFB)

Loan No. and Title: 17CN02

Contract No. and Title: JXGY-YH-W01

Invitation for Bids No.: WKZB2126JXD101803

1. Bidding Conditions

- 1.1. The Chinese government has obtained a loan from the New Development Bank to pay for Jiangxi Industrial Low Carbon Restructuring and Green Development Pilot Project (17CN02) and plans to use part of the loan to pay for the qualified expenses under the PC General Contracting Project for 2×15MW Units of Biomass Cogeneration Project in Yihuang County, Jiangxi Province-Rebidding (JXGY-YH-W01). Bidding is open to eligible Bidders from member countries of New Development Bank.
- 1.2. Minmetals International Tendering Co., Ltd. (hereinafter referred to as “Procurement Agent”) was entrusted by the purchaser Yihuang County Industrial Park Investment Development Co., Ltd. and now invites qualified bidders to submit a sealed bid for PC General Contracting Project for 2×15MW Units of Biomass Cogeneration Project.

2. Project Instruction and Scope of bid

- 1) Yihuang County Biomass Cogeneration Project is located in Liulipu Industrial Park, Tanfang County, Yihuang County, Fuzhou City, Jiangxi Province. The project will build 2 sets of 75t/h high temperature and high pressure biomass CFB boilers, 1 set of 15MW high temperature and high pressure back pressure steam turbine generator set, 1 set of 15MW high temperature and high pressure extraction and condensation type steam turbine generator set and complete supporting facilities inside the plant and water intake outside the plant system facilities. The planned construction period is 300 calendar days, and the bidding content is the PC general contract turnkey project of the above project.
- 2) For details, please refer to the engineering quantity list and drawings.

3. Qualification Requirements for Bidder

3.1 Bidding is open to eligible Bidders from member countries of New Development Bank, who is legal person or other organization that has obtained the Bidding Documents and participated in the bid according to the requirements of Invitation for Bids.

3.2 The bidder has completed at least 1 similar project with a contract value of not less than 230 million yuan in the past 5 years or completed the design or general contracting or general construction of 5 biomass power generation projects with a scale of not less than 2x75t/h+2x15MW implementation.

3.3 Financial requirements

The bidder shall provide the audit reports of the last 3 (three) years, shall provide the financial statements acceptable to the purchaser, reflecting the bidder's financial position, if not required by the laws of the bidder's country. As a minimum requirement, the bidder shall meet:

- 1) The net assets of each of the three years are all positive, and the minimum annual average turnover is not less than CNY 730.00 million or equivalent currency.
- 2) Availability of or access to finances sufficient to meet any possible cash flow requirement shall not be less than: CNY 87.00 million or equivalent currency.

3.4 Project Manager:

- 1) The project manager proposed by the bidder shall have no other construction in progress from the deadline for bidding to the date when the project is qualified for operation.
- 2) The project manager proposed by the bidder shall have the corresponding qualifications.

3.5 The person in charge of construction to be dispatched to the project (can be concurrently held by the project manager) should have corresponding qualifications.

3.6 The person in charge of procurement to be dispatched to this project shall have corresponding qualifications.

3.7 The four major technicians to be dispatched to this project should have corresponding qualifications.

3.8 All pending litigation, counted as lost litigation, shall represent in a total of not more than fifty percent (50%) of the Bidder's net worth.

3.9 The project accepts consortium bidding.

3.10 Domestic bidders must have construction qualifications as required by the state.

Note:

- The "equivalent foreign currency" in the above qualification conditions shall be converted according to the selling price of spot exchange first issued by the Bank of China on the date of issue of Invitation for Bids.
- "As on date, NDB member countries are Brazil, Russia, India, China, South Africa, United Arab Emirates, and Bangladesh".

4. Acquisition of Bidding Documents

4.1. Location of Acquisition: Jiangxi public resources trading website (www.jxsggzy.cn) or on-site registration with the procurement agent.

4.2. Time of Acquisition: **August 4th, 2022 to August 24th, 2022.**

4.3. Access of Acquisition:

- 1) Bidders who have already possessed CA digital certificate of Jiangxi public

resources online trading system shall enter Jiangxi public resources trading platform electronic trading system to download bidding documents by themselves.

- 2) Bidders without the CA digital certificate could obtain the Bidding Document from the Procurement Agent by e mail or physically visiting the office of the Procurement Agent (no charges or fee are required to be paid). For e mail and other contact details, see Article 8.

5. Submission of Bids

5. 1. The deadline for submission of bids (the deadline for bidding, the same below) is **9.30 a.m. August 25th, 2022**, at the Bid opening room 9 of Jiangxi public resources trading center (No. 3088, Ziyang Avenue, high tech Zone, Qingshanhu District, Nanchang City) (floors 1-3, Taihao science and Technology Plaza).
5. 2. Bids that are overdue or not delivered to the designated place shall not be accepted by the purchaser.

6. Media for Publishing

The IFB is published on the website of Jiangxi Public Resource Trading Center, www.chinabidding.com, and the website of New Development Bank (the media name of the announcement) simultaneously.

7. Bid Security

7. 1. Amount of Bid Security: RMB 800,000 yuan or equivalent US dollars.
7. 2. Payment Method: as specified in the Bidding Documents.

8. Channels and methods to raise objections

The bidder may raise an objection to the tenderer or the bidding agency in accordance with the requirements specified in the bidding documents or public announcement. The complaint acceptance unit of the project is Jiangxi Provincial Development and Reform Commission.
