

GENERAL PROCUREMENT NOTICE

The People's Republic of China
Taiyuan Wusu Zero-carbon Airport Project
General Procurement Notice

Date: July 26, 2024

The People's Republic of China has applied for financing in the amount of USD 200 million from the New Development Bank (hereinafter called "NDB") toward the cost of Taiyuan Wusu Zero-carbon Airport Project and it intends to apply the proceeds to payments for works, goods and consulting services to be procured under this project.

The Loan will be utilized to finance procurement of works, goods and consulting services for the Project. The major components of the Project include:

1. Works

- (1) Airside Booster Station Construction and Installation
- (2) "Landside PV System and Booster System" Installation
- (3) "Zero-Carbon Power Center" Construction and Installation
- (4) Heating Pipe Network (Geothermal Source)

2. Goods

- (1) Near-Zero Carbon Demonstration PV Equipment and CO2 Equipment Procurement for "Mail Interchange Hub"
- (2) Equipment Procurement for "Zero-Carbon Power Center"
- (3) Procurement of Airside PV System and Booster System
- (4) "Integrated Energy Management System" Procurement
- (5) Procurement of Landside PV System and Booster System
- (6) Procurement of Thermal Storage Tanks for Energy Station in North Zone
- (7) Procurement of Central Energy Storage Equipment for North Zone
- (8) Ground Source Well Casing Procurement
- (9) Procurement of Terminal Area's Demonstrative PSDF Works and

Independent Charging Station

3. Consulting services

- (1) Project Management Consultancy
- (2) Engineering Design
- (3) Cost Engineering Consultancy Services
- (4) Construction Supervision
- (5) Commissioning of Comprehensive Energy Stations and Their Distribution Systems and Joint Trial Operation

The procurement for NDB financed contracts will be carried out following the country procurement systems which is found materially in compliance with NDB's Procurement Policy. The applicable country system procurement law and regulation are Chinese Tendering and Bidding Law and Implementing Regulations on the Tendering and Bidding Law of China.

Procurement of contracts financed by NDB will be open to its member countries as requested by its Procurement Policy.

Specific procurement notices for each contract subject to open competitive bidding (OCB) will be announced, when available. All bidding invitations will be published on the NDB website (<https://www.ndb.int>), China Tendering And Bidding Public Service Platform (<http://cebpubservice.cn>), Shanxi Tendering and Bidding Public Service Platform (<https://www.sxbid.com.cn>) or Shanxi Provincial Tendering and Bidding Association/Shanxi Tendering and Procurement Service Platform (<https://sxtba.com>), Yangguang Procurement Platform of Shanxi Aviation Industry Group (<http://aviagroup.jcebid.com>).

Interested eligible firms and individuals who would like to be considered for the provision of works, goods and consulting services for the project, or those requiring additional information, shall contact the Implementing Unit and Procurement Agent:
