

**Bidding for Supply and Installation of Temporary Power Supply Equipment under
Taiyuan Wusu Zero-carbon Airport Project financed by NDB Loan
(Bid No.: 0773-2440GNOEHWGK6298)**

Project Location: Taiyuan, Shanxi Province

I. Conditions for Bidding

The Supply and Installation of Temporary Power Supply Equipment under Taiyuan Wusu Zero-carbon Airport Project financed by NDB Loan (Project No.: M1401000155900219001, NDB Contract No.: TY-G-025), has been approved by Shanxi Development and Reform Commission for construction through the document named Jin Fa Gai [2024] No. 212. The funding for this project comprises New Development Bank loan and enterprise's self-raised funds, and the Purchaser is Shanxi Aviation Industry New Energy Co., Ltd. The Project is now ready for bidding and is hereby open for public bidding.

II. Project Overview and Scope of Bidding

Project overview: Located within the Taiyuan Wusu International Airport, the Project is aimed and tasked to achieve zero-carbon operation for building structures, equipment and facilities owned by Shanxi Aviation Industry Group Co., Ltd. within the territory of Taiyuan Wusu Airport. Construction Content and Scale: The Taiyuan Wusu Zero-carbon Airport Project consists of 6 subprojects, namely: ①Zero-carbon power engineering; ②Zero-carbon cooling and heating engineering; ③PSDF (charging) building demonstration engineering; ④ Near-zero carbon building pilot engineering; ⑤Low-carbon street lamp; ⑥ Intelligent operation management and control system subproject.

Content and Scope of Bidding: Supply and Installation of Temporary Power Supply Equipment

Completion time for supply and installation: Deliver in batches within 120 days after the contract is signed, and complete installation and debugging in batches according to the construction progress.

Address for supply and installation: Taiyuan Wusu International Airport (place designated by the Purchaser).

III. Bidders' Eligibilities

The following bidders' eligibilities apply to bidders from all member countries of the NDB; For China specific eligibilities, the bidders from NDB other member countries shall be equipped with equivalent ones.

1. Qualification requirements: Chinese bidders shall have a valid business license and have professional contracting of power transmission and transformation Grade II (including Grade II) above qualification, or have general contracting of electric power engineering Grade II (including Grade II) above qualification; Bidders from other member countries of NDB shall provide relevant supporting documents equivalent to the above certificates and qualifications;

2. Performance requirements: in the past three years (from January 1, 2022 to bid submission deadline), the bidder shall have at least one performance for supplying and installing of temporary or official power supply equipment, and the contract amount is not less than CNY 8,000,000.00;

3. Financial requirements: the bidder shall provide financial audit reports for the years of 2021, 2022 and 2023, and the financial audit reports shall be issued by a third party with auditing qualifications;

4. Credit requirements: Chinese bidders shall not be included in the list of untrustworthy enterprises with serious violations or abnormal business operations of the "National Enterprise Credit Information Publicity System", nor be included in the list of judgment defaulters on the "Credit China" website;

5. Other requirements:

(1) Different units with the same person in charge or different units with controlling or management relationship shall not bid for this project at the same time, otherwise the relevant bids are invalid;

(2) The registration place of the bidder shall be from the member countries of NDB;

(3) The bidder shall have not been restricted from bidding by the governments of the member countries of NDB;

6. Bids from joint venture will be accepted; If the bidding is in the form of a joint venture, the following requirements shall be met:

(1) The bids submitted by a bidder and the contract agreement signed after being awarded the contract shall be legally binding on all members of the Joint Venture;

(2) The members of the Joint Venture shall sign a Joint Venture Agreement to stipulate their respective work and responsibilities and submit this Joint Venture Agreement along with the bids to the Purchaser;

(3) Each member of the Joint Venture shall not submit a separate bid in its own name, nor participate in two or more Joint Venture bids simultaneously. In either case, the bids submitted in its own name and the bids of the Joint Venture to which it belongs will both be rejected;

(4) If the Joint Venture wins the bid, the members of the Joint Venture shall jointly sign the contract with the Purchaser and bear joint and several liabilities to the Purchaser for contract performance;

(5) The members of the Joint Venture shall jointly nominate a Joint Venture leader and submit a power of attorney to prove such Joint Venture leader's authority. This power of attorney shall be submitted to the Purchaser as part of the bids.
