**Bidding No:** 0733-25080355

**To All Potential Bidders:**

We provide the following explanations for contents in the bidding documents:

1. In the scoring table of "Section 3: Evaluation and Qualification Criteria - 2. Evaluation of Technical Proposal" in the bidding documents, the requirements for similar project experience of the project manager and technical director are consistent with those stated in "Section 3: Evaluation and Qualification Criteria-A. Qualification Criteria - 4.2 Specific Construction and Contract Management Experience".
2. The requirement under "Section 3: Evaluation and Qualification Criteria - A. Qualification Criteria - 4.2 Specific Construction and Contract Management Experience" stipulates that 4.2(a) encompasses 4.2(b), which means that from January 1, 2020, to the bid submission deadline, the bidder, acting as a prime contractor, joint venture member, management contractor, or subcontractor, must have satisfactorily completed at least two municipal projects. Each contract value for these two projects must be no less than RMB 31.7 million. Both of these contracts must incorporate municipal drainage works, which must include the construction or renovation of drainage pipelines with a minimum diameter of DN200 and a length of at least 2 kilometers.
3. The project manager and technical director of the contractor representative and key personnel in Section 7- Engineering Requirements of the bidding documents have similar project experience requirements, which are consistent with the requirements in Section 3 - Evaluation and Qualification Criteria - A. Qualification Criteria - 4.2 Specific Construction and Contract Management Experience.
4. The comprehensive unit price in the BoQ is inclusive of tax. Bidders are advised to carefully consider it when quoting.
