

Request for Bids Works

(Two-envelope Bidding Process Without Prequalification)

Bidding No: 0733-25080863

Loan No. : 19CN02

Project: Guangxi Chongzuo Urban Water System Ecological Restoration Project

Employer: Chongzuo Water Investment Company Limited

Contract title: CZ15: Naqu River Upstream Villages Wastewater Collection and Treatment Project

Country: The People's Republic of China

Issued on: April 21, 2025

1. The People's Republic of China has received financing from the New Development Bank toward the cost of the Guangxi Chongzuo Urban Water System Ecological Restoration Project and intends to apply part of the proceeds toward payments under the contract for **CZ15: Naqu River Upstream Villages Wastewater Collection and Treatment Project**.
2. Chongzuo Water Investment Company Limited now invites sealed Bids from eligible Bidders for the following works.

Scope of works: The project involves the completion of drainage pipe network systems in six villages and town areas in the upper reaches of Naqu River, namely, Butuo Village, Lingnong Village, Busong Village, Leijia Village, Nadong Village, and the Old Street Area of Jiangzhou Town, so as to eliminate uncovered areas of the pipe network. Newly constructed DN100-DN500 drainage pipelines, including all household outlet pipes, will total approximately 62.73 km in length. Additionally, the project will include the construction of 4 sewage treatment stations and 5 sewage lifting pump stations..

Construction Period: 18 months

The bidder shall provide, but not be limited to, the accessories required within the scope of this project. The specific scope of the project is referred to in the Bill of Quantities and the construction drawings (see Chapter 7 - Engineering Requirements in the tender documents).

2.1 Eligibility requirements for bidders are as follows.

2.1.1 History of Non-Performing Contracts: Non-performance of a contract did not occur as a result of contractor default since 1st January 2020.

2.1.2 Suspension Based on Execution of Bid/Proposal Securing Declaration by the Employer: Potential bidders should pay attention to Article 4.7 and 19.9 of the ITB in the Bidding document, that the bidders shall not under suspension based on-execution of a Bid/Proposal Securing Declaration.

2.1.3 Pending Litigation: Bidder's financial position and prospective long-term profitability still sound according to criteria established in Financial Capabilities part in below and assuming that all pending litigation will be resolved against the Bidder.

2.1.4 Litigation History: No consistent history of court/arbitrary award decisions against the Bidder since 1st January 2020.

2.1.5 Financial Capabilities:

(i) The Bidder shall demonstrate that it has access to, or has available, liquid assets, unencumbered real assets, lines of credit, and other financial means (independent of any contractual advance payment) sufficient to meet the following construction cash flow requirements estimated as CNY 7,400,000.00 for the subject contract(s) net of the Bidder's other commitments;

(ii) The Bidders shall also demonstrate, to the satisfaction of the Employer, that it has adequate sources of finance to meet the cash flow requirements on works currently in progress and for future contract commitments;

(iii) The audited balance sheets or, if not required by the laws of the Bidder's country, other financial statements acceptable to the Employer, for the last 3 years (from 2021 to 2023) shall be submitted and must demonstrate the current soundness of the Bidder's financial position and indicate its prospective long-term profitability.

2.1.6 Average Annual Construction Turnover: Minimum average annual construction turnover of CNY 74,400,000.00 calculated as total certified payments received for contracts in progress and/or completed within the last 3 years. (from 2021 to 2023), divided by 3 years.

2.1.7 General Construction Experience: Experience under construction contracts in the role of prime contractor, JV member, Subcontractor, or management contractor for at least the last 5 years, starting 1st January 2020 (Subject to the date of contract signing, namely the contract signed before January 2020 will be identified as the proof for general construction experience).

2.1.8 Specific Construction & Contract Management Experience:

(i) From January 1, 2020 to the bid submission deadline, as a prime contractor, joint venture member, management contractor or subcontractor, the bidder has completed

at least 2 similar contracts with each contract valued not less than CNY 35,700,000.00.

All above contracts shall have been successfully and substantially completed and shall be similar to the proposed Works. The similar project should include pipelines with a diameter of DN200 and above, and the total length of these pipelines should be no less than 2 kilometers.

(ii) From January 1, 2020 to the bid submission deadline, in the aforementioned contract or any other contracts undertaken as a prime contractor, joint venture member, management contractor or subcontractor, the bidder has possessed a minimum construction experience of successfully completing the following key activities:

- 1) Contract value of no less than CNY 5,000,000.00;
- 2) Inclusion of sewage treatment plants or sewage treatment stations within the contract scope.

2.2 Qualification Requirement:

For domestic bidders, they must have:

- (i) The bidder must be independent legal entities registered in accordance with Chinese law (providing a copy of the business license);
- (ii) Possessing Grade I or above general contracting qualification for municipal public works construction;
