

New Development Bank USD 30 Million 4.677% Green Bond due 25 November 2029 - Allocation Report for the year 2024

| Allocation of Net Proceeds | | | | | |
|----------------------------|---------------------------------------------|-----------------------|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------|
| S/N | Project Name | Jurisdiction | Eligible Green Category | Project Description | Amount Allocated (million USD) |
| 1 | Himachal Pradesh Rural Water Supply Project | The Republic of India | Sustainable Water Management | The Project will construct 24 rural water supply schemes to provide drinking water to 1,255 villages covering eight districts in Himachal Pradesh. The Project also includes information, education and communication activities, which will increase awareness among the rural population about the importance of safe drinking water, improve citizen participation, and instill ownership behavior for water supply schemes. The objective of the Project is to provide piped drinking water to 14% of the total partially covered rural habitations and improve the quality of water supplied. | 30.00 |
